

# Veritis Clinches the Prestigious Stevie Award for its DevOps Excellence

Honored to be the Stevie Award 2022 Winner-Veritis

**Veritis Group**, a leading **DevOps / DevSecOps solutions** provider, was announced as the recipient of the coveted Stevie Award 2022. The panel of judges opined that Veritis leveraged DevOps better than its competition to deliver value to one of its clients in the wellness industry.

American Business Awards, popularly known as Stevie Awards, is one of the most prestigious awards in the business world. The idea of the business award was formed in 2002 to honor business innovations and contributions made by professionals. Among the 3,700 contestants, after due consideration, Veritis Group was given the **Bronze Stevie Award** in **DevOps Solution**.

## A Memorable Moment (The Stevie Award)

THE AMERICAN  
BUSINESS AWARDS®

2022  
STEVIE® AWARD  
WINNER

It is a humbling and honorable moment for Veritis to be bestowed with this award. Judged by over 200 professionals for over three months, Veritis was handpicked for building a Stevie Award-worthy solution.

Since its founding, Veritis has left no stone unturned on quality and delivery. From customization to value addition, **Veritis** has achieved high customer satisfaction with its process-defined, customer-centric DevOps solutions. This award win has allowed us to showcase our in-house expertise, and the organization shall look forward to other challenging opportunities to awe the world.
